Dear Newcastle Families and Supporters,

Thank you for joining us for the Newcastle Elementary PTSA Auction. This year we are being challenged to *Dare to Dream* to enrich our children's futures. Your donations of time, money and auction items impact our school in profound and meaningful ways. Not only do you send a clear message about your support and commitment to our school and the programs that benefit all students, you are preserving and helping to expand programs that are critical to the achievement and well-being of all our children.

Your donations impact our school by...

- Providing enrichment materials for every classroom so all students can be engaged and challenged toward personal learning goals.
- Expanding our intervention programs. Over 100 students were given additional support in areas of challenge thanks in large part to PTSA investment. This also helps teachers keep a rigorous pace of instruction for all students.
- Ensuring students have access to quality resources. Newcastle has more access to technology due to ongoing investment by the PTSA. This allows us to readily employ interactive software, 21st century tools and STEM activities to engage all students.

Our staff truly shares your passion to *Dare to Dream* for our children! In a time when our state has settled for funding schools in the lowest 10% in our nation, we are especially appreciative to have your partnership and commitment.

Thank you, your support makes a great difference for all students.

Sincerely,

Rich Mellish
Newcastle Elementary Principal

How Auction Night Works

Parking

Complimentary Self-Parking is available in the Lincoln Square parking garage. Please park on level P4 or P5 near the South Elevators and take the elevator up to the hotel lobby. Valet Parking is available at the front door of the Westin Bellevue Hotel for a fee.

Check-In

When you arrive, please proceed up the escalator to the second floor Check-In area to receive your auction catalog, table assignment and bid number bracelet. A bid number is assigned to each registered guest/couple. Large bid cards will be waiting for you at your assigned table. At Check-In, you will be asked to provide a credit card. All purchases made on March 11, 2017 will be charged to your account. Your information will be encrypted and electronically vaulted for your security. We accept VISA, MasterCard, AmEx and Discover.

Wear your bid bracelet to keep your bid number handy when you participate in games, raffles and bid on silent items. Use of your bid number indicates your agreement to abide by all stated auction rules.

Silent Auction Items

To place a bid, write your bid number on the Silent Auction bid sheet next to the amount you wish to bid. Please write legibly. Once a section has closed, no further entries will be allowed, and a Silent Auction official will collect the bid sheets. **Please do not remove items from Silent Auction tables.** Auction night personnel will collect items from the Silent Auction areas after bidding for each section has ended. These items will be held in the Check-Out and Pick-Up area.

Sign-Up Items

These special experience events such as *Midnight Bowling for 16* are *first come, first win!* So, get there early and sign up before all the slots are taken!

Almost Live Items

These are special experiences that we just didn't quite have room for in the LIVE auction, but are as equally amazing! These items will have a starting bid and will be sold to the highest bidder at the closing of the gold table.

How Auction Night Works

(continued)

Premium Wine Table

Premium wines are being sold at fixed prices with all proceeds going to Newcastle Elementary PTSA. You can choose to have the wine delivered to your table for enjoyment during the Live Auction and dinner or held at Item Pick-Up to take home with you. Included will be a wide range of beautiful wines to suit your individual tastes!

Live Auction Items

The Live Auction will occur in the Ballroom during dinner. You may bid on the Live Auction items by holding your bid number high with the number facing the auctioneer. You are the successful bidder when the auctioneer says, "SOLD," and acknowledges your bid number. A volunteer will then ask you to sign an acknowledgement form. This form constitutes a legal contract to buy. In the event of any dispute between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder or to re-offer the item in dispute.

Classroom Art Projects

Classroom art projects will be on display in the Foyer. Bidding for all Class Projects will occur as part of the Live Auction.

Check-out and Item Pick-Up

At the end of the evening simply proceed to the Check-out area to collect your items. All auction items must be removed the evening of the auction. There will be an option to expedite the process by utilizing the "Self Check-out" process. More information will given at the conclusion of the live auction. A detailed receipt will be emailed to you upon completion of Check-out. **Cash payment is not accepted.** If you pay by check or do not purchase items on auction night, your vaulted credit card information will be voided.

Note

For items that are jointly purchased by two or more parties, the signer is the designated payee. Please make your own arrangements for reimbursement from your co-purchasers.

Auction Rules

Sales

All sales are final. There will be no exchanges or refunds. Please respect all the restrictions set out by the item donors and read all certificates, vouchers, and corresponding materials carefully. Reservations for all trips, accommodations, parties and similar events must be mutually arranged with the donor unless otherwise specified. Unless otherwise stated, the use of condominiums, homes, tickets and certificates, etc., is to take place within one year following the auction at a date mutually agreeable to both the donor and buyer.

Warranties

The Newcastle Elementary PTSA Auction Committee has endeavored to describe and catalog each property correctly, but neither the PTSA nor SchoolAuction.net warrants nor represents and shall not be held responsible for the correctness of descriptions or warranties on the goods or services sold. All property is sold "as is." The buyer represents that he or she has inspected goods and accepts all responsibilities. No statement made in this catalog, orally at the auction or elsewhere shall be deemed such a warranty for tax purposes or fair market value. Items have not been appraised unless noted. **Newcastle Elementary PTSA reserves the right to withdraw any item for sale prior to the call for bids and reserves the right to adjust the donor's estimate of retail value.

Liability

Each bidder agrees to hold Newcastle Elementary PTSA, its elected or appointed officers, members, the auctioneer, the organization, sponsors, and/or volunteers connected with the auction harmless from any liability arising there from. Each person issued a bid number assumes all risks and hazards related to the auction.

Value

In the auction catalog, "value" is the fair market value. Fair market value is an estimate of the retail value. Generally, we depend on the donor to give us a reasonable estimate of the item's retail value.

Newcastle Elementary PTSA is a 501(c) (3) charitable organization and your payments are tax deductible as a charitable contribution only to the extent provided by law. Please consult a tax advisor regarding tax laws and the deductibility of certain purchases.

Pre-Live Auction

Premium Wine Table

If you love great wine, stop by the Premium Wine Table located in the Foyer to purchase a bottle from our full range of wines. Once purchased, let us know if you'd like to enjoy your wine tonight (it will be delivered to your table) or take it home with you (it will be held for you at Item Pick-Up until you're ready to go home). There is a limited number of bottles, so stop by the table early for the best selection. The table will remain open until the last bottle of wine is sold. Robert Parker and Wine Spectator ratings available!

Here is a sample of some of the wines available:

Raise the Paddle

THE MOST IMPORTANT PART OF THIS EVENING!

We hope you will join us tonight in “raising the paddle” to help fund curriculum needs and enrichments for our children’s education at Newcastle Elementary.

The money raised tonight will be used to provide:

- Technology access for every student, including the continued funding of the latest technologies such as Computers on Wheels (COWs) and iPads for use in the LAP program.
- Critical support and expansion of intervention programs for reading and math.
- Funding for enrichment programs such as the LionArt Docent Program and support for science curriculums such as Science-to-Go labs.

Tonight, our goal is 100% audience participation. Your contributions at **ANY LEVEL** will make a huge difference in our children’s education.

Remember that your donations are tax-deductible and also eligible for corporate matching.

Please raise your paddle high to support our children’s desires to Dare to Dream!

Dessert Dash

Get the dessert you want most!

What's your dessert personality? Are you apple pie or German chocolate cake? Tiramisu or cheesecake? You'll have a wonderful opportunity to express yourself in grand style at the auction this year. All you have to do is outbid and out maneuver like-minded auction guests.

The dessert table will be laden with gorgeous desserts on the night of the auction. Be sure to look them over with your table mates and decide which desserts you want most. The key to getting first pick of these desserts is to tap into your deepest pools of generosity. You will find your Dessert Dash bid card on your table in the ballroom. Bid high for best selection!

Have all table members write their highest bid onto the dessert dash form on your table. We'll add up each table's secret bid and then the auctioneer will invite the highest bidding table to "dash" for dessert first. The next top 5 bidders will dash, and then 10 more, until every table has a dessert.

Pick your fastest, most competitive table mate to dash for desserts. Part of the fun is laying claim to the most prized dessert before anyone else.

Everyone will get a dessert at this year's auction, but the question is, "Will you get the dessert that you really want?"

Thank you to all our donors who donated to the Dessert Dash!

Thank you

Dear Parents and Supporters,

Welcome to the 2017 biennial Newcastle Elementary PTSA Auction! This is a wonderful opportunity for our dedicated staff and our incredible community of families to come together and **Dare to Dream**. Tonight, we can make a difference by supporting our students to realize their dreams in which they are “Dared to Dream”!

We start by extending gratitude that reaches beyond the words *thank you* to our amazing volunteers who have contributed their talents, time, and efforts to make this year’s auction a huge success. We couldn’t have done it without you!

The Newcastle PTSA is extremely thankful for the generosity of the businesses and families whose donations have made tonight possible. We can best express our appreciation for their contributions by our patronage to their businesses throughout the year. Please support them as they have supported the PTSA and all of our children at Newcastle Elementary.

Tonight we are here – as parents, teachers, staff, and community members – in recognition that a strong education is the best way to prepare our students for the future. Knowing that education is a partnership, we come together and Dare to Dream to make a difference in the education our children receive!

Thank you for entrusting us with the opportunity to help fund the programs that enhance our children’s education at Newcastle Elementary. We are delighted you are here with us tonight and truly appreciate being part of such a spectacular school community. We plan to Dare to Dream for years to come.

Sincerely,

Heads or Tails

Play an interactive game of Heads or Tails and you could win a brand new football signed by Seattle Seahawks #16 Tyler Lockett!

Simply write your bid number on the Heads or Tails card on your table. It's just \$10 per person to participate.

When the game begins, all participants stand. Each player chooses "heads" or "tails" by placing their hands on their head or tail. Tom Pasma, Auctioneer, will toss a coin. If the coin comes up "heads," for example, those with their hands on their heads remain standing. Those who chose "tails" must sit down; they are now out of the game. The game continues until one person is left standing. The last person standing wins the game and takes home the football signed by Seattle Seahawks Tyler Lockett!

"Grow Wise Little Owl"

Mrs. Howard's 4th Grade Class

"You do not need anything but hopes and dreams... the kind of hope that flies on silent wings under a shining owl moon" – Author Unknown

This beautiful piece, made of cut paper depicts owls dreaming at night with a shining moon to guide them. Owls have always been a bird that sparks the creative imagination and dreams as each student did in Mrs. Howard's class to create their original owl art. The piece is custom framed and will be a wonderful addition to your families most treasured art collection.

Special thanks to: Karen Saino and Melissa Tremel

"Class Cookbook and Magnetic Kitchen Chalkboard"

Mrs. Keller's 4th Grade Class

This project shares the wonderful creativity and passions of Ms. Keller's 4th Graders through a collection of their own favorite recipes with some being handed down from many generations in their own families. The cookbook is full of beautiful illustrations made by each student to help depict why each recipe is special and why they love it! And what's more, to compliment the book, the winner of this auction project will also receive a handy magnetic chalkboard which was also designed by Ms. Keller's 4th graders. Bon Appetit!

"Dare to Travel"

Mrs. Roybal's 4th Grade Class

Each of the 24 kids in class chose a place in the world to represent one of the 24 time zones across our world. Kids chose a place by exploring. Their individual choice represents either where they are from, where their ancestors are from, a place that they want to travel to, or something special or interesting. They then painted and designed a clock that represents a part of the skyline from the place they chose. Kids hammered the name of the piece with metal stamps, and those are placed on the clock. These clocks were then placed on a large piece of wood together. Note: The 24 clocks are SILENT and this is a unique piece of art that will be a conversation piece for years to come!

"Green With Envy"

Mrs. Vaughan's 4th Grade Class

What do you get when you give students some square glass pieces, some random colored glass pieces and hairspray? You get some awesome handcrafted individual fused glass art that is then put together to become a beautiful set of fused glass collective art! The lucky winner of this project receives four vases of varying size and six small votive holders. The students and Mrs. Vaughn created each piece, which were then fired in the school's kiln. The pieces were then assembled and glued onto the vases and votives. The beautiful pieces can be used for a variety of things including flower arrangements, fruit display, votive display, or anything else you can imagine.

"Light My Dreams"

Mrs. Binks' 5th Grade Class

Mrs. Binks' 5th grade class is going to light up the world! Enjoy these two beautiful fused glass accent lamps. The cylindrical lampshades are adorned with multiple pieces of handmade fused glass, and then fired in our school's kiln. Students put together each glass piece, so each piece is individual and unique – a symbolic representation of our class. These lamps will be a modern focal piece for your home and a gorgeous remembrance of your child's time as a Newcastle Lion.

"Mosaic Mirror"

Mrs. Blackburn's 5th Grade Class

This beautiful wood framed mirror is one of a kind! Mrs. Blackburn's students were asked to create a few different watercolor pictures. Some pictures had patterns and other pictures really showed the kids' creative side. The pictures were then cut into strips and laid to create a decorative mosaic mirror that will be perfect for any room in your home.

“Dare to Dream of World Peace”

Ms. Keith’s 5th Grade Class ~ 2 Projects

Fifth graders are ready to conquer the world, so why not dare to dream big? Ms. Keith’s 5th grade class has worked hard to create not one, but *two*, beautiful glass mosaics each depicting a graceful dove. The pieces will be auctioned off separately, so two lucky winners will get to take one home! The students spent time reflecting on why the dove is a universal symbol of unity and wrote a personal reflection on why they dare to dream of world peace and what they can do to promote peace in their world. Each student’s written reflection will be published in a keepsake book to accompany the mosaics which are sure to inspire you for years to come. Dare to Dream of owning one of these stunning and priceless glass masterpieces.

Special thanks to: Jenny Martin

“Dreaming in Color!”

Ms. Kilgore’s 5th Grade Class

There’s no doubt that the feathers of a peacock are a beautiful sight. The bluish green vibrant iridescent plumage with its eyespots are a unique treasure when found. The students of Mrs. Kilgore’s 5th grade class each picked out and hand painted four stones that were then creatively arranged in the form of a vibrantly colored Peacock. The background is stained wood and is sure to make a statement in your home. This project weighs about 100 lbs. and comes with reinforced mounting hardware. The project will be delivered to the winner.

"Love Is All You Need"

Mrs. Andrews' Kindergarten Class

"Love is old, Love is new, Love is all, Love is you." The Beatles

This hand painted one of a kind masterpiece is inspired by the love that our children have for all things. Enjoy this original in its colorful glory in your own home! Money can't buy you love, but it can certainly buy you this amazing new piece of art made by the beautiful hands of Ms. Andrews' Kindergarten class!

Special thanks to: Joy Gold and Elysa Piha

"Chalkboard Perpetual Calendar"

Miss Cantalini's Kindergarten Class

"Today is your day!" Dr. Seuss.

Starting school is an exciting time for each and every Kindergartner. It is also a reminder to parents to treasure each and every passing day. This one-of-a-kind Chalkboard Perpetual Calendar provides a unique opportunity to celebrate that time while still holding on to the early days. In a colorful, and original piece of art, Miss Cantalini's Kindergarten class worked together to create a tissue paper border representing the changing seasons, while individually designing the magnetic number pieces. This framed chalkboard is a bright and beautiful addition to any household that will be constant, even while your child continues to grow.

"Ebb and Flow"

Ms. Gaul's Kindergarten Class

The children crafted this masterpiece using paper in many shades of blues, greens, browns, whites and other accent colors. Each quill is unique as the wonderfully creative student who crafted them. "This one looks like pieces of the ocean! I like to make them tight and some open!" Glittery quills also ebb and flow throughout this 16" x 24" triptych canvas set. Working together to be a small part of a greater good holds much enthusiasm with Ms. Gaul's class. While kindergarteners may not understand those words, they spoke of how the quills will come together to grow all over the picture. Growing organically with no ending or restrictions to their dreams.

"Newcastle Lion Bean Bag Toss"

Mrs. Miller's Kindergarten Class

Who doesn't love a lawn game for BBOs, birthday parties, tailgating or every day fun? This one of a kind Newcastle corn hole set was carefully painted by the Kindergarten's in Mrs. Miller's class. Each child painted it using their tiny fingerprints. The fingerprints turned into unique little lions bordering the corn hole set. Kids and adults will love playing this game for many years to come.

"Kandinsky by Kindergarten"

Mrs. Noblat's Kindergarten Class

Wassily Kandinsky's famous color study, squares with concentric circles, served as the inspiration for this bright and cheerful Kindergarten masterpiece! Each student put his/her individual perspective onto a square and then when combined they created one cohesive piece of art! This is the same way we view our class: we are all individuals, but we can achieve so much when we work together!

Special thanks to: Sunny Rivas-Tena and Kathy Noblat

Raise the Paddle

THE MOST IMPORTANT PART OF THIS EVENING!

We hope you will join us tonight in “raising the paddle” to help fund curriculum needs and enrichments for our children’s education at Newcastle Elementary.

The money raised tonight will be used to provide:

- Technology access for every student, including the continued funding of the latest technologies such as Computers on Wheels (COWs) and iPads for use in the LAP program.
- Critical support and expansion of intervention programs for reading and math.
- Funding for enrichment programs such as the LionArt Docent Program and support for science curriculums such as Science-to-Go labs.

Tonight, our goal is 100% audience participation. Your contributions at **ANY LEVEL** will make a huge difference in our children’s education.

Remember that your donations are tax-deductible and also eligible for corporate matching.

A special thank you to Jessica Anderson who captured all the still photos which appear in the Raise the Paddle video. Also to Ram Sarma for the great slideshow that played when you entered the ballroom tonight.

Please raise your paddle high to support our children’s desires to Dare to Dream!

“#Love”

Ms. Eisele’s 2nd Grade Class

When selecting the theme for our auction project we were searching for something that would put a smile on your face, warm your heart and brighten up any room. The kids were asked them to think about what love meant to them. We went around to each of them as they were painting their canvas’s and had them fill in the blank “Love is _____?” The responses were truly heartwarming ...and as one would expect, a few were a bit comical. In addition to the #LOVE art piece, the lucky winner also gets a picture book with the kids holding their heart art and their quote. We hope you enjoy them both as much as we do! Made with #LOVE, Ms. Eisele’s 2nd grade class!

Special thanks to: Casey Ellsworth and Khanh Dang; Tyler Stewart and Mike Stewart for making the frame.

“Dream Beneath the Moonlight”

Ms. Genereaux’s 2nd Grade Class

There is something magical about moonlight. Just a touch of it with the twinkling of the stars that soothes us peacefully to sleep and into our dreams. This beautiful framed wall art was decorated with many hand-crafted moons. Sleep soundly with a bit of the night sky, inside. Courtesy of some very sleeeeeepy 2nd graders who Dared to Dream.....

"Glowing Flower Reflections"

Ms. Hill's 2nd Grade Class

For this piece, each child chose one or two floral designs and embossed the design onto a thin piece of copper. We then painted Vaseline wherever we wanted the design to shine. Then liver of Sulphur was used to patina the copper. Each copper piece was then wrapped around wooden tiles. Your children's breathtaking copper embossed tiles were artfully arranged around a beautifully handcrafted wooden mirror to create the final piece. This collective work of art is truly extraordinary. They ALL worked extremely hard and were very proud of their contribution. Measurements: 3.83ft X 4.91ft, Mounting hardware set for vertical or horizontal display.

Special thanks to: Rachel Smith and Elise Crumpacker

"Fused Glass Sun Catcher"

Mrs. Johnson's 2nd Grade Class

The students in Ms. Johnson's class created a unique, handcrafted fused glass piece of art in varying shades of blue and a variety of dichroic glass. Each piece is a mixture of beautiful colors layered with frit, stringers and glass nuggets, carefully arranged and tack fused (to show texture) in the school's kiln. The art piece is constructed of 23 fused glass pieces, each one individually created by the students. All have been hand cut, fused and strung with nylon coated stainless steel flexible wire and a variety of decorative beads including semi-precious stones and Swarovski crystals. Truly a unique one-of-a-kind piece of art for your home!

"Dare to Grow"

Mrs. Martinson's 2nd Grade Class

Kids explored art and the idea of them growing with fabric mache' onto a large canvas to make a tree and then kids made 3-D flowers that were placed on the canvas / tree. Kids also made a smaller 3-D form out of the same fabric that was used as the form for an air plant. The plants are attached to a long piece of wood that can also be hung. The fabric for each flower is unique, just as unique as each of the 24 kids. The canvas is a beautiful piece of artwork that is 3-D with beautiful colors. It would be amazing above a fireplace or in a special place.

~34~

"On Fire"

Mrs. Bhatia's 1st Grade Class

This fused glass wall art triptych is abstract in style and is influenced by the vibrant colors and positive energy of fire with a whimsical Cubism theme. The piece began with the students arranging a variety of different colored glass and each creating two 2" x 2" glass tiles that were then fired in the school's kiln. The tiles were then mounted on framed glass and lit from behind. The result is a striking wall art piece that reflects light and has "movement" and "energy" when viewed at different angles.

"Butterflies – Follow Your Dreams"

Mrs. Cakarnis' 1st Grade Class

Each student personally selected a color scheme and created a pattern using special dye tissue paper. Once dried, butterflies were punched out and mounted on the 16" x 40" acrylic painted canvas. The soaring butterflies inspire kids to take their dreams and fly. A beautiful and simple artwork that will display great in any home.

"The Dreaming Tree"

Mrs. Leuenberger's 1st Grade Class

The Dreaming Tree is a three-dimensional sculpture created by Ms. Leuenberger's first grade class. From 3,600 feet of artistic wire, a 12" tree was twisted, formed, and wired to a six-pound river rock. The students beaded 170 branches with over 700 Czech and Millefiori glass beads to give the tree leaves. The final creation is a vibrant tree in full summer bloom with different shades of green leaves and small, intricate flowers. Look closely for the first beginnings of life. The Dreaming Tree was handcrafted with love and is looking for a permanent home to put down its roots.

"Dreaming in a Perfect World"

Mrs. Simonsen's 1st Grade Class

This 28"x36" inch mixed media piece with acrylic, glass tile, watercolor, styrofoam, and plaster on wood used to create an impressionistic landscape of a large group of butterflies taking off from a bed of flowers. The children in Mrs. Simonsen's class used watercolor on paper to make the large mass of butterflies taking flight. Behind them is a large tree trunk that was carved out of one-inch thick styrofoam to give it dimension and then was covered with plaster to give it a bark-like texture. In the background there is a collection of flowers that were also made by the students. The sky was painted with acrylic that was manipulated with salt and water to make parts of it flow, crack, and break creating beautiful textures and patterns. There are also mosaic glass tiles in the sky that add shimmery whimsical element.

"Dare to Dream of..."

Mrs. Burnham's 3rd Grade Class

This unique piece of wall art was made specifically to recreate our auction's theme so that you can remember it for years to come. Each student drew a feather into a clay tile that represents their favorite dream. Mrs. Burnham also contributed to the project with special little square tiles. These tiles were then glazed with a neutral color palette that will fit into anyone's home décor. The tiles were fired in our school kiln and then put together to create a whole artful piece.

"Love for Seahawks"

Ms. Crawford's 3rd Grade Class

The project name says it all...and who doesn't love the Seahawks?! This creative piece was designed using a wood base with LED lighting and wall clock decor with a 3-D symbol of Seahawks eagle head as the center piece. The kids traced their hands onto cardboard, cut them out and then fixed them onto the frame. Each kid's hand can be identified by their name. Both the center piece and the hands were then covered with multi-color rhinestones. The wood base was painted with metallic paint. An interesting note is that a lot of material used in this project is recycled.

"Forest Walk"

Mrs. Lundberg's 3rd Grade Class

The students hand created these leaf plates by impressing fresh grape leaves, veins down, into clay slabs and then cut them out of the clay following the natural outline of the leaf. After they were fired in the school's kiln, the students finished them in a variety of glazes, in shades of teal, which show off the texture in the leaves. Each plate was signed by the artist. The size is fun for serving appetizers or desserts. Your set also includes two large leaf bowls, thrown on a potter's wheel and decorated with leaves that the students hand built from real lilac leaves. *Set includes: Two Leaf Bowls (14.5" and 13.5" diameter) and 12 Small Leaf Plates (Approx. 6" x 7")*

Created by Aashi, Alex, Avery, Bhavya, Cole, Elijah, Ines, Kaitlin, Mark, Savannah, Zain

"Fused Glass Sushi Set"

Mrs. Lundberg's 3rd Grade Class

Sushi is more fun with this set – perfect for entertaining! This fused glass sushi set was influenced by our Northwest scenery. The set began with the students arranging a variety of different colored glass, copper foil and aluminum foil to each create a piece uniquely theirs. The pieces were then fired in our school kiln. The bowls and chopstick holders were re-fired to 'slump' them into their shapes. The result is an elegant sushi set that will also be a great conversation piece. *Set includes: (4) Rectangular plates 5x11", (4) square plates 5x5", (4) soy sauce bowls 2.5 x 2.5", (4) chopstick holders.*

Students: Aiden, Alivia, Anayah, Ava, Christian, Deborah, Evelyn, Kaela, Lauren, Mason, Moriah, Nora, Reese, Snebhir.

"Dare to Be Different"

Mrs. Posten's 3rd Grade Class

At first glance it may look like just many similar dragonflies fluttering around. However, look closer and you will see a very bright and colorful dragonfly flying above the crowd, choosing to do his own thing and daring to be different. Each student in Mrs. Posten's class created their own dragonfly using a technique called Zentangle which is an easy and fun method that creates beautiful images using structured patterns.
