

Classroom Auction Project
RESOURCES
2016/2017

In addition to the resources below, we have binders, photos and CDs of past auction projects that you are welcome to look through for inspiration.

<http://www.enasco.com/artsandcrafts/> - Nasco Arts & Crafts - This site lists multiple classroom art projects, some with corresponding books to read to the class, including supply checklists, how-to's, etc...great resource!

TIPS: Try searching "Auction Projects" "Classroom Projects", etc. on Google. Ask your friends from other schools for ideas they've seen or used. (Schools often post their auction projects online.) Take a poll of our friends/family that live in other parts of the country to see what they have done at their auctions.
