

## 2017 Honorary Life Membership Recipient

**Michelle Riley**

This year's committee feels that there is one volunteer within our community who goes above and beyond the duties of a volunteer on regular basis. A volunteer who not only does anything she is asked, but does a lot of things without even asking. This volunteer knows the ins and outs of the building like no other, and has been at Newcastle for 9 years now. Some kids mistake her for an EA and many new parents think she is an employee due to her knowledge, the fact that she is always around, and is always busy working on something. We are delighted to present Michelle Riley with Newcastle Elementary PTSA's first ever Honorary Life Membership Award.

This award is presented to an individual who has made a significant contribution to the growth and development of PTA through countless hours and many years of dedication and service to the school and community. This special recognition is a PTA's "thank you" to those people for their tremendous gift of time, effort, and their strong belief in, work with, and support of PTA.

Michelle Riley perfectly embodies all attributes of this award. Her dedication and never ending kindness is an inspiration for all around her. Her commitment to promote and support the Newcastle Elementary PTSA combined with her unwavering spirit of volunteerism is remarkable. In the history of our school, there is no one who has spent more time on the PTSA Executive Board, than Michelle. Her decisions are always made with the best interest of our children in mind and we can't thank her enough for the countless hours she has given.

Newcastle is very fortunate to have such an outstanding and dedicated volunteer. We are proud to honor Michelle Riley as our 2017 Honorary Life Membership recipient and hope you will join us in congratulating her!
