

# Newcastle Elementary PTSA

Parent Teacher Student Association

## Are you one of the 570+ members of the Newcastle Elementary PTSA?

If you are currently a Newcastle PTSA member, thank you very much for your support!

A \$25 family membership provides voting membership for 2 adults, along with WA State PTA & National PTA membership. You will also receive the invaluable student directory.

## Why Join the Newcastle PTSA?

### ▪ Advocacy for students

- Your membership makes a difference! Your name included on our membership roster gives yet another advocacy voice at the state and national level for a student at our school. When PTA leaders are advocating for our students during the legislative session in Olympia and elsewhere, the more members behind them, the more weight their voice holds. Your membership strengthens the voice of the PTA here in Washington State!

### ▪ Show your support for all that the PTSA funds and does by becoming a member

- Did you know that the Newcastle PTSA funds and facilitates monthly art experiences for all 640+ students at Newcastle through the art docent program? The PTSA also funds additional EA time, grants for teachers & evening family events, to name only a few. PTSA volunteers create the yearbook, facilitate Gift-A-Book for our library, staff appreciation, and so very much more!

### ▪ Membership fee is good for the entire school year

- Your \$25.00 family membership includes two adult members and is valid for the entire 2017 – 2018 school year!

### ▪ Volunteering is completely optional

- There are no volunteer requirements for members. We greatly appreciate our amazing volunteers, but understand that volunteering is not practical for all members. The choice is yours!

### ▪ Discounts are available for PTA members

- Great Wolf Lodge, FedEx, Wild Waves, etc. A full list of discounts can be found on the Washington State PTA website.
