

LUNCH for the BREAK

Spring Break Food Drive

The Newcastle PTSA is holding a food drive to support the Lunch for The Break program. This is an Issaquah Food Bank program that provides extra food to students during breaks who might otherwise not have enough to eat.

Each classroom will be assigned a specific item to donate.

Please have your child bring the requested item and place it in the donation box located in your child's classroom.

Classroom specific donation details will be sent out in an email from your Room Parent.

Thank you for helping our community!

Please have your student bring the listed item to the donation box in their classroom between March 21st and 30th.
