"Hilarious and charming. The most lovable duo since Frog and Toad." —*NYT*-bestselling creator of the Dog Man and Captain Underpants series, Dav Pilkey

"(B)riming with whimsy and joy." --*School Library Journal*

"Clanton's Narwhal and Jelly follow in the grand tradition of early reader buddy tails like *Frog and Toad* or *Elephant and Piggie*, and this latest tale is sure to find an honored place alongside them on young readers' bookshelves." --*New York Journal of Books*

"Nothing wrong with the self-esteem of this moldy potato, who enters a cuteness contest against fluffy bunnies and cuddly kittens. Rot believes in himself until the world does too." (*People Magazine*, January 8, 2018, "People Picks: The Best New Books")
