## Bisa Meek

Our family moved to Washington State from North Carolina five years ago and settled in Newcastle three years ago. Ethan and I have two kids. Our daughter, Madeline, is in 6th grade and our son, Jack is in 4th grade this year. We also have a dog named Sir Nauzer who likes to bark a lot.

We enjoy being outside when the weather permits but also enjoy a good movie. You can find us most weekends playing at the school playground, wandering around Lake Boren, or riding our bikes throughout the neighborhood. IF you see us, stop and say Hi!

I have been a PTSA parent for as long as I've had a kid in school. It is one of the best ways for me to stay connected to my community. I am excited for another year of Newcastle Programs!
