Title of Work:

I matter because...I CARE!

Artist:

Isabelle L., 3rd Grade

Artist Statement:

I matter because...I CARE! I care for people very much. I care for nature too. I care for my parents and my sister. I help them do many things like remind them to wear a mask when we go out because it is very important. It will save many lives if they wear a mask, and if you wear one too. I want things to live and be safe, so I care for them and make the world stronger. I care to make people's day happier. So, I matter because I care!

Thank you to our participants this year!
